Sir,

I have the honour to state that the
Davanagere Town is a large Commercial
Centre with a population of no fewer than
10,376 inhabitants of whom the Lingayets
form the majority. Almost the entire income
of this Municipality is contributed by this
class of people who are big traders and
landholders. Whenever the members of this
Community fall sick they show aversion towards
English medicines on the ground of caste
scruples; and the location of the Local Fund
Dispensary at the place has not been of
any use to them and consequently they are
put to much difficulty and inconvenience
for

for want of an indigenous hospital. Considering the health of the people in particular and the prosperous condition of this Municipality which depends entirely upon this Community, I think it highly desirable to afford them all possible medical help. To supply this long felt want, the Municipal Board has been repeatedly urging the establishment of a native Vaidyasala for this town.

Under these circumstances, I beg you to kindly obtain the sanction of Government for the entertainment of a native "Pandit" on a pay of Rs 15/- per mensem, the charge being met from the provision ^{of Rs 14700} made in the current year's Budget of this Municipality under VIII P. 14.

The copy of the resolution of the Board in the matter is herewith submitted for the information of Government.

I have the honour to be,
Sir

Your most obedient servant

W. D. D. D. D.
